Dear Mr, Weisberg

Thank you for your quickly and kindly reply. and enclosed guide.
I'm now reading your "White wash" series. and I would like to read "Frame-Up" someday.

As I wrote in former letter, I have strong interest in the assassination of JFK. RFK. and MLK. I visited Washington DC, and National Archives, last summer, and saw the Zapruder Film. And I want to study more, and more.

I have a favor to ask you.
I want to know the detail Maj Gen Walker shooting case on Aprile 1963.
Needless to say, It was said that L. Oswald shoot him. I'm now researching about this case, but Few are available about this. You know something this case? If you so, Please teach me.

And I would like to correspond with you, and know and study many.

Finally, I wish your work make good. I appreciate it very much if you would kindly answer

Sincerely

K. Takami
